Information about the Related Companies being the subject of this Report

Ram Dış Ticaret A.Ş.

Ram Dış Ticaret A.Ş. (Ram) is registered to İstanbul Chamber of Commerce (İTO) with the registration number of 109050 and is engaged in the wholesale trade activities at the address Rüzgarlıbahçe Mahallesi, Cumhuriyet Caddesi, Energy Plaza, Kat:2 Beykoz, İstanbul, Turkey. Ram Dış Ticaret A.Ş. was established on 16.11.1970 and currently its issued capital is TL 6 million.

Field of activities of Ram Dış Ticaret A.Ş. are; all kinds of wholesale product trading, importing, exporting, making studies on domestic and international marketing and giving consultancy services to third parties. It creates additional value to group companies and their sub-industry companies by acting as purchasing center in domestic iron and steel sector. It provides added value to companies by making central purchasing in the iron and steel industry in the country. The business unit mainly operates in the Energy, Food, Automotive, Defense Industry and aid materials sectors.

Information about the conditions of transactions executed with related persons/parties and consistency of such conditions with the prevailing market conditions

Sales of the Company were made to Ram Dış Ticaret A.Ş. between 01.01.2021-31.12.2021 and explanations about these transactions are given in the article 27 of Independent Auditor Report dated 31 December 2021.

Sales made to Ram Dış Ticaret A.Ş. is basically consisted of the export registered sales made to non-related third parties. The amount of the invoices, that are issued from Otokar to Ram and also from Ram to the third party (it buys the same products), remain the same. Ram Dış Ticaret A.Ş. only issues commission invoice for the activities it carries out.

In general, all negotiations with third parties, any contract, default risks and any potential risk associated with inventory are carried out, managed and followed by Otokar. Therefore, all risk are borne by Otokar, and Ram assists and manages operative and paperwork and in return of these services, it issues commission invoice. Ram issues invoices related to costs such as bank letter of guarantee commissions, freight expenses incurred in the name of Otokar during these activities. In addition, in the markets where the transaction is carried out, local regulations and market research services are taken from Ram.

As can be seen previously mentioned description, when evaluating the essence of the process, rather than the volume of the export registered sales, the amount of commissions paid for the related transaction should be taken into account when determining the 10% threshold considering the commercial relations between Ram Dış Ticaret A.Ş. and Otokar. However, as issued invoices covers the entire amount of related transaction, all the sales are seen as related party transactions and therefore exceed 10% limit.

Within 2021, amount of TL 471.018 thousand sales transaction has been realized between the Company and related Ram Dış Ticaret A.Ş. and in the accounting period of 01.01.2021-31.12.2021 10.5% of the proceeds have been realized from the sales, and expected transactions may exceed 10% of revenue in 2022. The whole transactions between the Company and Ram Dış Ticaret A.Ş. are consisted of the export registered sales made to non-related third parties with exactly the same conditions and commissions accrued by Ram due to these transactions. . As a result of these sales in 2020, the total amount of commissions and acquired services paid to Ram is TL 76.394 thousand. The amount of commission accrued due to export registered sales, which is the principal counterpart of the transaction between the parties, is well below the limit determined in the communiqué and determined in accordance with the market conditions.

Conclusion

Pursuant to Capital Market Board's Communiqué, article 10 of Serial: II, No:17.1; due to the fact that the amount of the Company's subsidiaries' common and ongoing product sales transactions with Ram Dış Ticaret A.Ş. within 2022 accounting period is foreseen to be exceed 10% of the

amount of revenue based on 2021 financial reports which was the latest and disclosed to the public, and the transactions executing with Ram Dış Ticaret A.Ş. are foreseen to be continued with the same conditions within 2022, pricing methods and reasons for choosing such methods are explained in this report and information regarding the compliance of the transaction with market conditions is provided.
