In our Company's material event disclosure dated 16.03.2026, it was announced to the public that the Romanian courts decided to consolidate the cancellation lawsuits filed by our Company against C.N. Romtehnica S.A.'s payment claims within the scope of the tender for the procurement of 4x4 Tactical Wheeled Light Armored vehicles, and furthermore, without prejudice to the counterparty's right of appeal, to suspend the execution of the payment claim amounting to 230,217,479 Romanian Lei until the litigation process is definitively concluded; and in the footnotes of the financial statements disclosed to the public on May 5th, it was announced to the public that it had been learned that the counterparty exercised its right of appeal.

As a result of the appeal review, the relevant court has ruled in favor of our Company and officially dismissed the appeal filed by C.N. Romtehnica S.A

Developments regarding the litigation process will be announced to the public through material event disclosures and/or our interim/annual reports, depending on the materiality of the matter.
